DELIGHTFUL PLAYLET

Last Friday evening a play called, "The Immortal Egg", a satire in the high price of food fifty years from now was given by the employees of Pogue's Department Store in Cincinnati. The play was considered far from amusing and every one was amazed at the talent displayed by the employees. Among six who were chosen to sing solo parts Miss Ina Menke carried off the honors, being recalled three times. She received many compliments from elocutionists in her pronunciation of words, and from singers, in the quality and control of her voice. Mr. Robert Pogue declared her the best vocalist in the play. Miss Menke has received all her study under Miss Jennie H. Moore of this city.

AGED CITIZEN DIES

Mr. William Hukill, father of Mrs. M. H. Davis of Maysville, died very suddenly at his home in Paris Monday afternoon about 2 o'clock. Although feeble for some time and unable to leave his home for the past two years, Mr. Hukill enjoyed good health and the full use of his mental faculties. He was one of the oldest citizens of Bourbon county, being 88 years of age. He is survived by his wife, one daughter, Mrs. M. H. Davis of Maysville, two sons, William of Paris and James of California. The funeral will be held on Wednesday afternoon at 2 o'clock from the home. The burial will be made in the Paris cemetery.

A New Policy

Works like this, John Sample, age 35, pays \$30.46 per thousand, which will be reduced by 1917 dividends \$5.22, upon payment of second premium, making the net cost \$25.24. Policy will contain total and permanent disability benefits, which means, first, waiver of premium payments on policy during disability, and company will pay the insured \$100.00 per year while disabled, then the face of policy, \$1000.00, at death; disability means loss of eyesight, loss of both hands, loss of both legs, loss of one hand or foot, loss of mind, total loss of body from paralysis or disease.

ORGANIZED BALL

Seems to Be Dead in This Section of the Country—Several Towns Will Have Independent Teams.

The Lexington Leader says: prospects for organized base ball of any variety in Lexington the coming season received a severe jolt this week when W. H. Forwood, manager of the proposed team for this city, in a league with Newport and Bluegrass cities, received a letter from Charles Applegate, of Newport wicemans, and promoter of the scheme, that a lack of interest in the organization had compelled its abandonment.

Lexington will now have an independent team under the leadership of R. Lee Lykins, manager of the Reserves, winners of the City League championship last year, and one of the best semi-professionals ever sent out by this city.

Manager Lykins has had charge of a ball club in this city for several years and stated this morning that the former Reserve club would be in the field for games with the opening of the season.

In the proposed Sunday league, sponsored by Mr. Forwood and Mr. Applegate, it was planned to have a league with clubs in Paris, Cynthiana, Frankfort, Georgetown, Maysville and Newport for playing games on Sundays and holidays.

After exhaustive work on the part of the promoters the organization had to be abandoned on account of lack of interest of the fans in the towns surrounding Lexington. Previous bad seasons and a general desire to try with independent clubs this year are given as causes of "cold feet."

Frankfort will not have a club of any kind, it is stated, while Paris business men seem generally opposed to the organization of any semi-pro club for Sunday and holiday ball.

Mr. Forwood, who has been leading every effort to make the league a success for the past two months, will have charge of the Georgetown Athletics this year and will take active charge of the club in a few weeks.

With the starting of the season of the national pastime within thirty-five days all hopes of a reorganization of the old Bluegrass League or the Ohio State League are considered gone and an independent ball club will be all that will represent Lexington on the diamond this season, it is expected.

With the forming of an independent club here, Paris, Cynthiana, Maysville and an abundance of crack semi-professional teams in the vicinity of Cincinnati some good games are assured for local fans.

ATTENTION COMPANIONS

The Annual Inspection of Maysville Chapter No. 9 R. A. M. will take place this evening at 7 o'clock. Companion Hansen Peterson of Cynthiana, will be present as the Inspecting Officer for the Grand Chapter. All members are expected to attend this meeting. Members of neighboring Chapters and visitors are cordially invited to attend. Refreshments will be served.

W. HALL STRODE, High Priest.
P. G. Smoot, Secretary.

WILL CELEBRATE FIFTY-SECOND ANNIVERSARY

Mr. and Mrs. Ambrose Barnett of Aberdeen, will celebrate the fifty-second anniversary of their marriage on Friday of this week, March 2. Mrs. Barnett celebrated her seventy-fifth birthday on last Sunday. Their many friends and acquaintances wish them many more years of life and that they may be able to celebrate their seventy-fifth anniversary.

SHOWING PLANS OF DEPOT

Secretary Harry C. Grimsley of the Chamber of Commerce has placed the plans of the new C. & O. depot in the windows of the new headquarters of that organization. Persons interested in the depot should stop and examine them and see just what the railroad is offering Maysville. Mr. Grimsley will doubtless be glad to explain to anyone the plans if a closer scrutiny is desired.

WATER OFF PAYMENT

The water left the pavement under the C. & O. railroad yesterday about noon, to the great relief of large number of persons residing in the Fifth and Sixth Wards. As yet street car service has not been resumed but this will probably be done by evening.

ASKS FOR DIVORCE

B. C. Dawson filed suit in the Mason Circuit Court yesterday for divorce from his wife, Mrs. Millie Dawson. He states that they were married on December 24, 1894, and he states that his wife refused to accompany him in his travels, he being a journeyman printer.

BIRD-STUDY CLASS

Some students of the biology classes of Maysville High School have organized an Audubon Society which receives its name from John James Audubon (1780-1851) who gave to the world, "The Birds of America," in ten volumes. This society expects to give more consideration to the study of birds, than to any other class of animals, since so much is being said and written about the economic value of birds.

Particular attention will be given to learning the common birds of this locality by sight, to know their distinctive markings, which will be stressed by coloring outlines furnished by the National Audubon Society migration, nesting, food, songs and protection to trees and crops. Bird-study in some measure should be given in every school, not because it is new, not just because it is a branch of the new popular nature-study, but because of the great need of a national change of attitude towards the wild birds if we are to succeed in preserving this absolutely essential part of our natural resources.

A new floor is being laid in the L. & N. station in this city. The company has made a number of improvements in their station in the past several months. Let the good work continue.

EMBARGOES LIFTED

On the Chesapeake and Ohio and the Louisville and Nashville Railroads Yesterday.

The embargoes placed on shipments by the Chesapeake and Ohio and the Louisville and Nashville Railroads during the latter part of last week when it was thought that a strike would occur, have been lifted by these railroads, the order going into effect yesterday.

The L. & N. declared its embargo on all classes of freight except dead freight, i. e., non-perishable shipments, subject to losses by delay. The embargo went into effect on Thursday morning.

The C. & O. declared the embargo on Wednesday to take effect at the close of business on that evening. The embargo was very stringent.

With the embargoes on shipments on both roads a number of the Maysville merchants and shippers were inconvenienced in getting supplies, but had a strike gone on and all communication been stopped, there would have been no serious consequences as shipments could have been made by river.

The brotherhood members in this city and others connected with orders have expressed themselves as being greatly pleased with their victory.

DANIELS CONFERS WITH EDITORS

Washington, March 17.—After a conference today between Secretary Daniels and representatives of the leading press associations, the Government began preparation of definite regulations to guide the press in voluntary suppression of information which might be of value to an enemy.

The press associations have assured Secretary Daniels of their desire to cooperate, and in the absence of authority for imposing a legal censorship will be bound by the Government's requests. Before the regulations are approved they will be submitted both to the associations and to managing editors of newspapers for discussion and suggestion.

Mr. Daniels took occasion today to inform the press generally that his recent request that movements of American merchant ships be withheld from publication did not mean that arrivals of such ships in American or European ports should not be reported.

"Such arrivals," the Secretary said, "could not easily afford any information that might jeopardize life, and such news would be of the deepest interest to the public and should be published."

Mr. Daniels also gave assurance

ER FOR HALF A
CENTURY.

that no effort would be made to suppress the news if American ships should be sunk.

"If there should be any disaster, of course," he said, "the information would be furnished, and it would be expected that the papers would print the facts."

Japan, a thickly populated country, with comparatively little waste land, is said to have only 15,000 sheep, which number, by systematic propaganda, the government now hopes to increase to 500,000, mainly to lessen wool imports.

CHINA GETTING READY FOR WAR

Peking, China, March 18.—After announcing the severance of diplomatic relations between China and Germany Foreign Minister Wu Ting-ang called a meeting of the ministers of the Entente nations and later a meeting of the ministers of neutral countries. He presented a memorandum at both meetings, requesting suspension of payments of indemnity for the Boxer uprising, consent to an increase of import duties, and modification of China's undertaking that will permit her to station troops at Tien-Tsin, along the Tien-Sein-Peking railway and in the legation quarters as a protection against Germans.

The Dutch legation is protecting German interests and guarding the German legation. The German Minister and his staff probably will leave Peking for Shanghai within five days. Denmark is looking after Chinese interests in Germany.

In the light of previous dispatches from Peking, the action taken by the Chinese Foreign Minister indicated that the government is preparing to enter the war with the Entente. It was said in the dispatches that negotiations to that end were under way and that China hopes by joining the Entente to obtain suspension of the payment of indemnity and permission to increase import duties.

781,500 TONS DESTROYED IN FEBRUARY, GERMANS REPORT

Berlin, Friday, March 16, (By Wire—less to Sayville).—Merchant ships of an aggregate gross tonnage of 781,500 were destroyed in February as a result of war measures of the Central Powers, the admiralty announced today. The statement follows:

"In February 368 merchant ships of an aggregate gross tonnage of 781,500 were lost by the war measures of the Central Powers. Among them were 292 hostile ships with an aggregate gross tonnage of 644,000 and 76 neutral ships of an aggregate gross tonnage of 137,500. Among the neutral ships 61 were sunk by submarines, which is 16.5 per cent of the total in February as compared with 25 per cent, the average of neutral losses in the last four months."

There is a wide disparity between the official German figures of the destruction of shipping in February, the first month of unrestricted submarine warfare, and the figures given out in England. It was said authoritatively in London on March 3, that in February German submarines sent to the bottom in round numbers 490,000 tons of shipping. No mention was made of ships destroyed by mines.

THAT BACKACHE SPELLS DAN-GER!

Action Today May Save Maysville People Future Misery.

A bad back isn't a bad thing if it serves as warning of hidden kidney disorders. Kidney diseases are frightfully common today. We over-do so much. We don't give the kidneys a chance to rest up, and while a bad back, some bladder disorder, an occasional dizzy spell or a persistent headache may be the only outward sign, the kidney trouble that is behind it all may be overlooked or neglected. Put your signs to use. Take them as warnings. Fight off kidney weakness. It takes only a slight kidney disorder to start a case of fatal Bright's disease, from which 100,000 people die in the United States every year. Prompt treatment at first—that's all that's necessary to keep kidney weakness from turning into gravel, dropsy, gout, heart trouble or Bright's. Use Doan's Kidney Pills—the oldest, the most widely used, the best-recommended Kidney Pill. Forty thousand Americans recommend them publicly. Here's one Maysville case:

Mrs. John Burns, W. Second St., Maysville, says: "I was subject to severe spells of backache and other kidney trouble. They would come on every three or six months and there were times when I was confined to bed and rendered helpless. The quick and decided benefit I received from Doan's Kidney Pills was wonderful. I have never had such severe attacks since." (Statement given February 13, 1914.)

NO TROUBLE SINCE

On November 15, 1916, Mrs. Burns said: "I have the same good words of praise for Doan's Kidney Pills today as ever. I have not needed a kidney medicine since I took them."

Mrs. Burns is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that Mrs. Burns has twice publicly recommended—the remedy backed by home testimony.

PUBLIC SALE

Having decided to quite farming, I will on Saturday, March the 17th, at 2 o'clock, sell to the highest bidder without reserve or by bid my farm containing 1564 acres, located on the Valley Pike eight miles West of Maysville, Ky.

This farm is in a high state of cultivation, and has on it an eight room house, tennis house, two tobacco barns, stable, corn crib, and other out-buildings, cistern, wells and pools of never failing water. I will offer this farm in two tracts, one of about 65 acres, with barn, and tenant house, and the remainder with the dwelling house, tobacco barn, and all of the out-buildings. Then I will offer it as a whole, and whichever way it brings the most money it will be sold that way. Here is a chance to get either a large or small farm. Terms will be announced on day of sale.

Prospective buyers will be shown over the farm any day before sale. For further particulars see Mr. Boulton on the farm or the undersigned.

DEPENDENT WOMEN

Constantly recurring suffering gives women "the blues." Comparatively few women realize that dependency, together with headache, headache, and that "dragging-down" feeling indicate some derangement of the feminine organs, for which Lydia E. Pinkham's Vegetable Compound is a remedy.

It is said that this famous, old root and herb remedy has been the means of restoring more women to health and consequent happiness than any other remedy in the world. Don't wait until your life is wrecked by neglect and suffering. Give the Compound a trial.

SEEN IN MAYSVILLE FIRST

The picture at the Pastime yesterday, "Burning the Candle," starring Harry B. Walthall, drew a very large crowd to this popular playhouse. This was the first time the picture had ever been seen, the release date being yesterday.

In Police Court yesterday three drunks were fined by Judge Whitaker, the first in several days.

TOBACCO REPORTS

Show That a Very Small Amount of Tobacco Was Sold on Yesterday—Receipts Very Light.

The sales on the Maysville tobacco market yesterday totaled \$9,865 at prices ranging from \$10.50 to \$22 per hundred pounds. The sales were very light, but consistent with those of the past three weeks.

All of the houses reported sales except the Growers house. The bad weather of Sunday had its effect on the growers and they did not deliver much to the houses. Also it is thought that the warehouses are shut off by the high river and the farmers are afraid to bring their tobacco in for fear they cannot deliver it. There has been no house cut off at any time.

Supervisor Mitchell reported last week that a total of 1,167,875 pounds of tobacco was sold at an average of \$16.92. This is the best average for some several weeks. The season will end on next week and there will be little more tobacco delivered.

Stales yesterday:
Growers—No sale.
Home—Pounds sold, 18,670; High price \$19.25; Low price \$11; Average \$16.02.

Amazon—Pounds sold, 14,205; High price \$19.75; Low price \$12; Average \$16.87.

Farmers and Planters—Pounds sold, 21,580; High price \$22; Low price \$11.75; Average \$16.25.

Peoples—Pounds sold, 6,975; High price \$17.50; Low price \$13.25; Average \$15.70.

Liberty—Pounds sold, 3,760; High price \$19; Low price \$13; Average \$15.73. Offerings common.

Independent-Central—Pounds sold, 24,680; High price \$21; Low price \$10.50; Average \$16.83. Offerings common. Market good.

AUTO ACCIDENT

Mr. Walter Gibson, driver for the Newell Meat Market, had a very narrow escape from possibly serious injury yesterday. Mr. Gibson had been in the West End of the city and was returning. When near the bridge over Hensley Creek at the city limits he lost control of the machine and it plunged over the embankment there, which is very high. The machine was very badly damaged and Mr. Gibson suffered several slight bruises and scratches.

HEALTH LEAGUE CAMPAIGN

The campaign of the Mason County Health League for the Sanitary Survey is coming along nicely and a large amount of money has already been subscribed. The campaign takes on a new aspect this week, old paper being collected by the leaders to sell for the fund.

FUNERAL TODAY

STATE OF WAR

With Germany Expected to Be Announced By President Wilson Within the Next Forty-Eight Hours.

Washington, March 19.—President Wilson is expected within the next forty-eight hours to indicate definitely that he believes a virtual state of war exists between the United States and Germany.

News received from Plymouth that fifteen men, some of them Americans, had been drowned when the American merchantman Vigilance, was sunk without warning by a German submarine, added, if possible, to be already grave view of the situation held here as a result of the destruction of the Vigilance, the Illinois, and the City of Memphis.

Whether the President will hasten the extra session of Congress already called for April 16, or will take additional steps to protect American commerce without this move was not disclosed tonight. No official pretense to know his plans and the general view was that he was still considering the question in his usual deliberate way.

Aggressive Plans Laid

A cabinet meeting probably will be held tomorrow afternoon and at that time the situation arising out of the new acts of aggression on the part of Germany is expected to be thoroughly canvassed.

Preparations for aggressive action to protect American rights began today when the President visited the navy department personally and directed Secretary Daniels to utilize the \$115,000,000 made available by Congress to hasten naval building plans.

The question was also taken up of setting into communication informally with Great Britain and France to discuss co-operation in the protection of commerce lines across the Atlantic. This step probably will not be taken until the course of the United States has been finally determined.

PROMINENT FARMER DIES

Mr. Thomas B. Hughes, aged 71 years, 8 months and 14 days, died at his home near Germantown yesterday afternoon following a short illness. Mr. Hughes was born in Mason county, July 5, 1845. He was the son of Alex and Elizabeth Hughes. He was a farmer and was a very prominent man in the county. He was twice married, leaving two children by his first wife, Mrs. William Pich of Lewisburg and Mr. Noble Hughes of the county. He leaves one son by his second wife, who also survives him, Master Thomas Hughes of this city. For the past few years he has spent some time in the city, although he had not actively retired from farming. The funeral will be held tomorrow.

SURVEYING ROAD

City Engineer W. L. Glazier, who was recently asked to act as county engineer by the Turnpike Advisory Board, began yesterday with his assistants to survey the Lexington Pike for the purpose of reconstructing it this summer. The road will be reconstructed from the city limits to a short distance beyond Washington, the state giving aid for the work. The work of reconstructing the road will be begun as soon as possible.

FAMOUS PICTURE TO BE SEEN HERE

The managers of the Washington Opera House have succeeded in booking the famous picture starring Annette Kellerman, "A Daughter of the Gods." This picture has been seen in all of the leading cities of the country and is said to be one of the best ever produced. It will be seen here during the latter part of the month.

Mrs. A. M. J. Cochran will return to her home on West Third street this week after spending the winter in Florida. Mrs. Cochran has been in various resorts in the "Land of Flowers."
